Internship Opportunity for New Developers!

About us

wisoTech GmbH is an IT service and technology-providing company head-quartered in Hamburg, Germany. We offer specialized and high-quality software development, consulting, and support services to various clients in the finance and insurance sectors. Since 2018 we have been located with a company branch in Prishtina.

Application criteria

· Basic knowledge in one or more of the programming languages: C#, Python or Angular.

· Knowledge or interest in SQL and NoSQL databases.

· Motivated to learn and work in a team.

· A student in a technology-related field or a recent graduate.

· An advanced level of English, both written and spoken, to enable effective communication within a global environment.

What wisoTech offers

· The opportunity to learn and develop practical skills in a dynamic and supportive environment.

· Real experience with projects that use the latest technologies such as C#, Python, Angular, SQL, and NoSQL.

· Mentorship from experienced professionals in the technology industry.

· The chance to contribute to significant projects and learn from real challenges.
